

# How To Subscribe to Push Notifications in iMuhlenberg

Current Students

The app interface displays several content tiles:

- Muhlenberg Today**: A purple tile featuring a large image of the college's dome. Text includes "Muhlenberg Today" and "Latest News & Special Announcements".
- Student Resources**: A small tile showing hands writing on a document.
- Student Life**: A small tile showing a student speaking at a podium.
- On Campus**: A wide tile showing a campus scene with trees and buildings.
- Calendar Events**: A wide tile showing a large crowd of students.
- Social Media Post**: A red tile for Muhlenberg College (@Muhlenberg) dated Jun 13, 2023. The text reads: "In Case You Missed It: Greek Week 2023 was an absolute blast! 🥳 by Louis Cocco '23" with a link to a tweet: <https://t.co/iaWIDUPjJK>.

At the bottom of the social media post, there is a "SOCIAL MEDIA" label and navigation arrows.

## SUMMARY:

Campus members and visitors are able to receive non-emergency messages via push notifications from the iMuhlenberg mobile app. Different categories of messages, known as “channels”, can be opted into. Instructions to set up your phone to receive these push notifications are provided as follows:

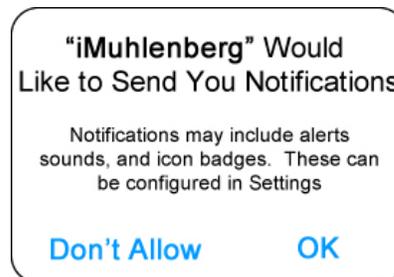

## DOWNLOAD THE IMUHLENBERG APP

[Information about the iMuhlenberg mobile app](#) may be accessed on our main campus website.

Download the iMuhlenberg app from the Apple Store (for Apple devices) or from Google Play (for Android devices).

## ENABLE PUSH NOTIFICATIONS FOR THE IMUHLENBERG APP

- After downloading the app, if you may be prompted with the following message requesting permission to send notifications. If so, click “OK”.

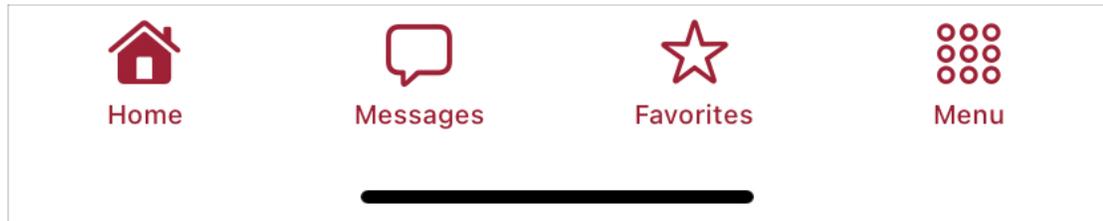

- If you are not prompted with the above message, perform the following steps to enable push notifications for the iMuhlenberg app:
  - **Apple device:**
    - Click your device “Settings”.
    - Scroll down and choose iMuhlenberg
    - Click “Notifications”
    - Turn on “Allow Notifications”
  - **Android device:**
    - Click your device “Settings”
    - Click “Applications”
    - Choose “iMuhlenberg”
    - Under App Settings, allow Notifications

## CHOOSE YOUR SUBJECT/CHANNEL OF INTEREST

- Open the iMuhlenberg app
- Click the “Messages” icon on the bottom on your screen

- Click “Opt-in channels”
- Under “Available opt-in channels”,  
Choose any channel you’d like to hear  
from!

***Berg Bites** is part of a financial hardship  
campus initiative aimed to ease meal  
expenses*

**Other channels that may be available:**

- Academics
- Student Affairs
- ... and more
