2. I am required to report any and all injuries/illnesses that occur as a result of participation in my sport whether it be in season or out of season.

3. If suffering from an illness or injury, I will notify the coach, athletic trainer, or Health Center.

4. If suffering from an illness or injury I will follow the instructions of the designated health care personnel.

5. If the services of a physician are required, except in the case of an emergency, I should first consult with a member of the college’s designated health care personnel.
