Dear First Year Students,

Muhlenberg College is committed to the health and well-being of the entire campus community and providing a supportive learning environment for its students. As an introduction to college life, we require all first year students to complete two online courses before arriving on campus in August. These courses are "AlcoholEdu" and "Haven: Understanding Sexual Assault".

Each course has two parts. The deadline for completing Part 1 of each of these courses is August 21, 2015. After an intersession of 45 days, you will receive an email notification to complete Part 2 of each course.

All information you provide while completing these courses is confidential and is not connected to your identity. We can only access individual student data on course progress, completion, and final scores, and aggregate information on course content.

If you have any questions about school policies, procedures, or support resources related to alcohol and other drugs, dating violence, domestic violence, sexual assault, and stalking, please contact Lee Ann Kolbe, Title IX Coordinator, Muhlenberg College at kolbe@muhlenberg.edu. You can also find more information here: http://muhlenberg.edu/main/aboutus/deanst/services/student_guide.html

Instructions for course registration and completion are attached. If you have any questions regarding these assignments, please email or call Professor Linda Andrews for AlcoholEdu or Lee Ann Kolbe, Title IX Coordinator, for Haven. *see below*

Completion of these assignments is mandatory. You will not be permitted to check into your residence hall unless you have met these requirements.

We hope you enjoy the courses, reflect on the knowledge gained, and we wish you all the best in your time at Muhlenberg College.

Sincerely,

Karen R. Green
VP for Student Affairs and Dean of Students
Muhlenberg College
