

Change your Groupwise password

To change your **GroupWise WebAccess** password:

1. go to the Muhlenberg home page, scroll to the bottom and click on **GroupWise WebAccess**
2. enter your **Username, Current** password, click **Login**
3. click **Options** (top middle icon),

4. click the **Password** tab
5. type in your current password, a new password and confirm the new password.

Click Save.
