Sophomore, Junior, and Senior day students in good academic standing may register for courses offered through the Wescoe School for Continuing Studies on a space available basis with the permission of their academic advisor, the department chair offering the course, and the Dean of the Wescoe School. First-Year students must obtain signed permission from the Dean of the College for Academic Life prior to consideration of the request by the Dean of the Wescoe School.

Please be aware, Wescoe School courses may only be registered when no other appropriate courses are available through our day offerings. No more than one (1) such course may be registered in any one term. Day students are not permitted to enroll for courses offered in accelerated (eight-week or weekend) sessions offered through the Wescoe School. Under special circumstances, students with senior status may petition the Dean of the College for Academic Life to be allowed to register one course unit in an 8-week or weekend session.
