A good estimate for books and supplies for the academic year would be \$1,300. Transportation estimates range anywhere from \$0 to \$3,000 depending on where the student lives (we assume 4 trips to and from campus) or if a student is commuting, approximately \$1,660. So on average, a student budget/cost of attendance for the 2014-2015 academic year would be approximately \$57,556.
