Checklist for the Completion of Medical Forms

Please submit forms to the Health Services Information Table during June Advising*

______ Health Services Medical Form (white 4 page packet)

______ Please remember to list allergies on health form (page 1). If no allergies, please write “NONE”.

______ Recent physical exam (within 6 months prior to first day of class) required with health care provider signature (page 2)

______ Tuberculosis Risk Assessment questions should be answered for all students (page 2). Tuberculin skin testing is required only for students who are members of a high-risk group and those with symptoms of active tuberculosis. Refer to Tuberculosis Screening Questionnaire sheet for more information.

______ All immunizations completed, including Meningococcal Vaccine (at least one dose after age 16 years) and Tetanus Booster within ten years (page 3)

______ Consent for Treatment signed by both student and parent (page 4)

______ Insurance information completed (page 4)

______ Copies of Health Insurance and Prescription Drug Cards (front & back of cards, please)

______ Patient Communication Form & Combined Acknowledgement and Consent to Use and Disclose Health Information (two sided green form)

*If you are unable to have the Health Services medical forms completed by your June Advising Day, please mail completed forms to Muhlenberg College Health Services (2400 Chew Street, Allentown, PA 18104) by June 20, 2014.

For all students considering participation in a Varsity Athletics Program:

- Participation Physical Evaluation Form must be completed for Varsity Athletes (yellow form). This is required in addition to the Report of Medical History if you are planning to participate in any varsity athletic program. This Varsity Participation Physical Evaluation Form and EKG should be returned to Muhlenberg College Athletic Training Office, 2400 Chew Street, Allentown, PA 18104.
