TRANSFER COURSE AUTHORIZATION

It is a fairly common occurrence for Muhlenberg students to supplement their academic experience here by engaging in studies away from our campus. Almost all courses taken elsewhere must be transferred to Muhlenberg College. Courses offered through the Lehigh Valley Association of Independent Colleges (LVAIC) consortium and any course offered away from campus but identified in the college catalog are the only exceptions.

BEFORE YOU ENROLL A COURSE ELSEWHERE:
- Obtain course descriptions and syllabi for any course(s) that interests you at another institution.
- Discuss your plans for completing coursework elsewhere with your academic advisor. Secure his or her signature before you proceed.
- Visit the academic department that would be most likely to offer the course if it was offered here. The department chair is responsible for the decision to approve or deny coursework for transfer to Muhlenberg.
- Return the completed Transfer Course Authorization to the Office of the Registrar.

AFTER YOU COMPLETE THE COURSE:
- Forward an official academic transcript to Muhlenberg. Please direct academic transcripts to Muhlenberg College, Office of the Registrar, 2400 Chew Street, Allentown, PA 18104. No outside coursework will be posted to your Muhlenberg records until we receive an official academic transcript from the institution you attended.

MORE INFORMATION YOU SHOULD KNOW:
- No more than 17 transferred course units may contribute to the 34 course units required to earn a bachelor’s degree at Muhlenberg. The college will accept no more than five (5) transfer course units during a traditional academic term (fall or spring), while four (4) course units is the limit for any type of summer work.
- Only courses for which you have earned a “C-” or better will be considered for transfer to Muhlenberg. Courses in which you do not earn a traditional letter grade (A-F) will only be considered for transfer if additional documentation detailing successful completion is provided.
- Grades earned in transferred courses will not be included in your general Muhlenberg grade point average.
- Many institutions may not use a course unit system similar to Muhlenberg’s. Use the table below to convert between credit hours and course units:
