Media and Communication Curriculum Checklist

This checklist is to keep track of progress in the major.

NAME: ___________________________________________ GRAD YEAR: __________________

Requirements: A total of nine courses are required within the major. All students must take the following three (3) courses. Please list semester completed in the space provided below:

_________________ 201: Media and Society
_________________ 231: Documentary Research
_________________ 301: Media Theory and Methods

Electives: Five (5) Electives, as specified below, are required to complete the major. Please list the name and course numbers of the electives you are using to fulfill the minimum requirements of the major.

1. ___________________________________________________________________________________
2. ___________________________________________________________________________________
3. ___________________________________________________________________________________
4. ___________________________________________________________________________________
5. ___________________________________________________________________________________

Distribution Requirement for Electives: At least one (1) elective course must be selected from each of the three distribution areas: Discovery, Structure, and Practice. Please list semester completed of the courses which are being used to meet this distribution requirement for electives.

Course Level Requirements for Electives: At least two (2) electives must be at the 300 level or above. Please list the name and numbers of the courses being used to fulfill the course level requirement for electives.

1. ___________________________________________________________________________________
2. ___________________________________________________________________________________

Culminating Undergraduate Experience: Select one course among the five (5) course options listed below (though please note that enrollment for COM 470: Honors Seminar is restricted). Each of these CUE options is a credit-bearing class that counts toward the nine-course major requirements. The CUE must be taken in the senior year.

☐ 1. 490: Digital Media Design Lab  ☐ 4. Designated CUE Seminar: __________________
☐ 2. 467: Advanced Video Production  ☐ 5. 470: Honors Seminar
☐ 3. 965: Communication Practicum

2/24/15
Optional Electives: You may take as many additional electives as your interest and scheduling opportunities permit. Please list any additional electives to assist the department in reviewing your record for graduation purposes and to help us monitor student interest in electives.
