football support

The Cardinal & Grey Fund was established in 1989 to afford alumni, parents, and friends an opportunity to support the College's athletic effort and continue the tradition of excellence. Since its inception, Cardinal & Grey contributions have impacted the quality of the athletic experience for student-athletes in every sport by providing revenue beyond the annual operating budget.

Gifts may be contributed to Cardinal & Grey, to a specific sport, or split. The first \$50 of any sport-specific gift over \$100 will be used to help compensate for the annual financial support provided by the Cardinal & Grey Fund for that sport. Gifts of \$1,500 and above qualify for membership in The Henry Melchior Muhlenberg Society.

For information on how to join the Cardinal & Grey Fund, please contact Muhlenberg College Director of Athletics Sam Beidleman at 484-664-3380.

The "100 Club" is a group of special men and women who support Muhlenberg College football by donating \$100 for each game played by the Muhlenberg football team during the 2008 season — a total of \$1,000. All proceeds go directly to the football program to provide assistance with the many items beyond the general operating budget.

All members receive:

- a Muhlenberg College 100 Club shirt
- mention in the game program
- a weekly football newsletter available only to 100 Club members
- all gifts are tax-deductible as allowable by law

For information on how to join the 100 Club, please contact Coach Donnelly at 484-664-3385.

The members of the Muhlenberg Football Parents Association are very involved in the football experience of their sons. The group buys the t-shirts that are given out to the weekly award winners and pays for postgame meals and the postseason banquet.

For information on how to join the Muhlenberg Football Parents Association, please contact Nancy Halupka at 732-418-7038.
