Mule Softball

A by the numbers look at Mule softball.

.961

The Mules compiled a combined .961 fielding percentage during the past two seasons (.957 in '10 and .964 in '09).

The last time they fielded better than .960 for an entire season was in 1993.

2 of 4

Of the four pitchers in Mule history to throw no hitters, two are on this year's staff.

72

Muhlenberg likes to be aggressive on the basepaths and set a school record with 72 stolen bases last season.

The Mules were only caught stealing seven times for a .911 success rate. Four of the top five base stealers from 2010 return to the lineup this season.

Founded: 1848.

Named for Henry Melchior Muhlenberg, patriarch of the Lutheran Church in the American Colonies.

Affiliation: Private, affiliated with Lutheran Church.

Location: Allentown, Pa.; 55 miles north of Philadelphia and 90 miles west of New York.

Academic Emphasis: Liberal arts and pre-professional studies.

Full-Time Enrollment: 2,200; 43% men, 57% women.

Student-Faculty Ratio: 12-1.

Admission: Highly selective. Over 4,200 applicants for a class of 580. The single most important factor is high school record. Entering freshmen are strong performers academically and give evidence of the potential for positive impact on the college community as extracurricular contributors as well.

Application Deadlines: Early Decision, February 1.

Regular Decision, February 15. Muhlenberg values the energy and enthusiasm Early Decision candidates bring to the campus.

Personal Interview: Strongly recommended.

Financial Aid: Approximately 65% of students receive some form of financial aid. Both need-based and merit aid are available.

“Strong in premed, prelaw, pre-anything.”

•
“Muhlenberg has produced Fulbright Fellows and Udall Scholars, but it also ensures that every student excels at his or her own pace.”

*Fiske Guide to Colleges
2008 Edition*

Students: Muhlenberg students are drawn largely from the Middle Atlantic and New England states, although 35 states and over a dozen foreign countries are represented.

Faculty: 161 full-time, 109 part-time. Faculty are drawn from America's finest

MUHLENBERG

COLLEGE

Library Resources: Trexler Library resources include over 226,000 volumes and 360,000 microforms. An interlibrary loan program makes over 1.75 million books available to students with daily delivery to campus.

Campus Life: More than 100 clubs and student organizations, from United Student Government to Habitat for Humanity.

Active Learning: Many of Muhlenberg's classes are taught seminar style, with an emphasis on discussion and classroom interaction. Science labs are hands-on, with

“The small community and small, personal class sizes allow professors [to] ‘become friends, mentors, and role models’ to students. ‘They love what they do, they love students, and they love interacting with students.’ But professors aren’t just friendly faces. ‘They are [also] very knowledgeable in their fields’ and ‘challenge students to achieve more than they thought they were capable of.’”

*2008 Princeton Review
The Best 366 Colleges*

the opportunity to do real science in a small college setting. Independent study, mentored research, internships and field experience all are encouraged. The goal is to promote an active, participatory learning style.

That commitment to first-rate teaching and active learning means that Muhlenberg strives always to provide learning experiences that are not simply informational, but interesting, even inspirational. It means looking for teaching approaches where students are not passive but rather engaged, active learners. The result has been an academic program widely recognized for educational excellence based on both rigor and nurture.

Positive Outcomes: A Muhlenberg education provides a powerful launching pad to graduate school and entry-level careers. The College's success rates with both law school and medical school placement are regularly over 90%. In addition, many Muhlenberg students go on to master's and doctoral programs each year. Muhlenberg grads also go on to a full range of employment opportunities, from America's largest banks and accounting firms to its "blue chip" business concerns, from the most prominent social and helping agencies to schools, government and family-owned businesses, and from a variety of media, writing and advertising positions to work in the performing and fine arts.

PEYTON R. HELM

President of the College

Peyton Randolph Helm took office as president of Muhlenberg College July 1, 2003. He holds the faculty rank of professor of history.

Immediately prior to joining the Muhlenberg community, Helm served as vice president for college relations and professor of classical studies at Colby College in Waterville, Maine.

Helm began his career in academic administration at the University of Pennsylvania, where he was named coordinator of College House Programs in 1981. He served as associate director of development and then director of development for Penn's School of Arts and Sciences. From 1981-1988 he was also an adjunct assistant professor of ancient history and urban studies at Penn.

In 1988, Helm was named vice president for development and alumni relations at Colby, where he was promoted to vice president for college relations in 2001.

The Council for Advancement and Support of Education (CASE) has awarded Helm its Steuben Apple, given to advancement professionals who have been rated as a top speaker at 10 or more national conferences. Helm has delivered addresses and conducted seminars on ethics, stewardship, writing, capital campaigns, market research and volunteer management at more than 30 conferences across the country and internationally. His writing has been published in *CASE Currents* and *Successful Fund Raising*, as well as various scholarly publications in the field of ancient history.

Helm earned his bachelor's degree in archaeology, with *magna cum laude* and Phi Beta Kappa distinction, from Yale University. He earned his doctoral degree in ancient history, specializing in ancient Greek and Near Eastern history and literature, from the University of Pennsylvania.

KAREN GREEN

Vice President for Student Affairs/Dean of Students

Karen Green began her duties as vice president for student affairs/dean of students at Muhlenberg College on June 15, 2006, following more than four years as dean of students at Wells College in Aurora, N.Y.

At Muhlenberg, Green oversees more than 70 full-time employees and several departments, including athletics and recreation.

"Muhlenberg is committed to our scholar athletes and the athletic programs are an integral part of a liberal arts education," said Green. "The lessons learned from participation in our programs will sustain our students throughout their lives. The opportunity to be involved in intramural and recreational programs provides balance from the rigors of a challenging academic experience. Students learn negotiation skills, teamwork, time management and to be effective leaders.

"Our coaches are committed to excellence and are partners with students notwithstanding their skill level."

Green received her baccalaureate degree from Agnes Scott College in Atlanta in 1986, where the Karen Green Human Relations Award was created in her honor. She went on to earn her master's of divinity from the Candler School of Theology at Emory University in 1997.

Green began her administrative career as a resident director at Spelman College, later served in the admissions office at Agnes Scott and subsequently became director of orientation, residence life and student activities at her alma mater before leaving Atlanta to accept the position of director of multicultural affairs at Hamilton College in Clinton, N.Y.

She held additional leadership positions in student life at Agnes Scott, Emory and Hamilton before assuming the position of dean of students at Wells in September 2001.

SAM BEIDLEMAN
Director of Athletics

Following a national search, Muhlenberg College named Sam Beidleman director of athletics in July 2003. He had been serving as interim director of athletics since April 1, 2003.

As director of athletics, Beidleman supervises Muhlenberg's 22-sport varsity intercollegiate program, as well as the intramural and recreation programs.

"Muhlenberg College is proud of its long-standing tradition of academic and athletic excellence," said Beidleman. "While we strive to win on the field or court, we measure our success in many other ways including the development of character, leadership, scholarship and ethical behavior."

Beidleman returned to Muhlenberg after a prior 35-year association with the College, during which he held responsibilities in every area of athletics programming – as a student, coach, faculty member and administrator. He was a varsity letterwinner in football and track and spent 13 seasons as an assistant football coach following his graduation in 1963.

It was as a baseball coach that Beidleman truly made his mark, coaching the Mules from 1970 to 1992 and winning 255 games. His teams captured five Middle Atlantic Conference Southwest League titles and three Southern Division championships.

Beidleman, who held the academic rank of associate professor of physical education from 1965 to 1992, also served as men's intramural director and director of recreation. After retiring from coaching, he was the full-time athletic business and facilities manager until August 2000.

A 2006 inductee into the Muhlenberg Athletic Hall of Fame, Beidleman earned his master's degree in counseling and guidance from Kutztown University in 1970.

COREY GOFF
Associate Director of Athletics

Corey Goff was promoted to associate director of athletics in 2008 after five years as an assistant director of athletics. In addition to his administrative duties, he serves as head baseball coach and summer camp coordinator.

MEGAN EDDINGER
Senior Woman Administrator

Megan Eddinger was promoted to senior woman administrator in 2010. In addition to her administrative duties, she serves as advisor to the Student-Athlete Advisory Committee and head field hockey coach.

CENTENNIAL CONFERENCE

In its 18th year of all-sports competition, the Centennial Conference has taken its place among the nation's elite small-college conferences.

Founded in 1983 as the Centennial Football Conference and expanded to an all-sports league in 1992, the Centennial Conference encourages athletic competition among national liberal arts colleges and universities that share similar academic aspirations and a commitment to the importance of the total educational experience of students engaged in sports. Intercollegiate athletics programs are an integral part of the life of the member institutions and flow from their educational objectives. Each institution provides a comprehensive, broad-based athletics program. All varsity sports are treated equitably, and every sport is important.

The CC softball champion receives an automatic bid to the NCAA Division III Tournament.

www.centennial.org

Muhlenberg College sponsors a comprehensive 22-sport intercollegiate athletics program. The Mules compete in the Centennial Conference in all sports and are members of the National Collegiate Athletic Association (NCAA) Division III.

Muhlenberg's sports program is designed to offer quality competitive experiences for the serious athlete, with opportunities for outstanding teams and individuals to advance to national Division III championships. However, given the breadth of the program, opportunities also exist for the unrecruited athlete to participate in varsity sports.

Muhlenberg has excellent on-campus athletic facilities. Opened in 1982, the Life Sports Center is a building designed for athletics, intramurals and "sports for life" as primary uses. The original solar-heated building, a series of three additions to the Memorial Hall gymnasium, includes the spacious John Deitrich Field House, featuring basketball and tennis courts and a 160-meter running track; the 25-meter Alumni Pool; and the Levering Tyson wing, containing racquetball and squash courts and rooms for sports medicine, weight training, wrestling, dance, instruction and equipment distribution. Memorial Hall, the original facility built in 1954, seats 3,529 and is an excellent facility for viewing indoor sports.

During the 2009-10 school year, Muhlenberg won the Centennial Conference regular-season titles in men's soccer, women's soccer and women's basketball. Mule teams or individuals earned bids to the NCAA Division III Championships in women's soccer, men's and women's track and field, women's basketball and men's cross country.

The Life Sports Center recently underwent a significant renovation that further improved the Mules' facilities. The three-level, 40,000-square foot addition was built directly west of the Deitrich Field House and opened in the fall of 2004. The new facility includes additional locker rooms and office space, new recreation and fitness areas and a new health and counseling center.

Outdoors, the Mules have a grass field used by the men's and women's soccer teams, constructed in 1997, and a stadium for use by field hockey, football and lacrosse surrounded by an eight-lane, all-weather track, constructed in 1998 and resurfaced with AstroTurf GameDay Grass™ 3D in 2008.

Cedarcreek Field

After sharing a home park for 10 years, the Muhlenberg softball program is in its seventh year at a facility it can truly call "HOME"!

Located less than two miles from campus, Cedarcreek Field was built in the spring and summer of 2004 at the Lehigh County Sports Fields complex, which is also home to the Mule baseball

team and serves as a practice site for the Muhlenberg soccer teams.

The field features spacious dugouts that give shelter to the home and visiting teams. The entire field is enclosed with fencing that gives proper softball dimensions of 200 feet down the lines and 225 feet to dead center, which offer some excitement for the long-ball hitters. A bullpen allows the Mules to warm up their pitchers right behind the home dugout.

The red windscreens add a cardinal touch to the field, and the dugout color scheme fits the Mule logos just right. In 2007, an electronic scoreboard was added. It is a facility to be proud of for the Muhlenberg and Lehigh Valley communities.

Life Sports Center

A three-level, 40,000-square-foot addition to the Life Sports Center opened in August 2004, further improving Muhlenberg College's athletic facilities.

The addition, built directly west of the John Deitrich Field House, includes a large weight facility, an expanded cardio-fitness area, a snack bar, new facilities for health service and counseling, training rooms, locker rooms and coaches' offices. The structure offers a spectacular view of the College's outdoor facilities and is joined to the original Life Sports Center by a large indoor corridor on the main level. A new main entrance faces the campus.

The project also entailed renovations in the Field House, including installation of a new floor and track, new netting, new lighting and painting.

MARISA DeStasio

Head Coach
Binghamton '05
first season

Marisa DeStasio is in her first year as head coach at Muhlenberg after spending the 2010 season as an assistant with the Mules.

assistant with the Mules.

Prior to coming to Muhlenberg, DeStasio spent the past three years as an assistant at Lafayette, helping the Leopards to a school-record 27 wins in 2008 and their first two appearances in the Patriot League championship game in 2008 and 2009. In 2006, DeStasio was an assistant at MacMurray College in Illinois, where she also served on the event management staff.

A four-year starter at multiple positions at Binghamton University, she was named All-America East Conference second team in 2003 as a utility player. She is the Bearcats' all-time leader with 34 sacrifice hits and also ranks in the top five in career stolen bases (tied for third, 19); runs (fourth, 60); hits (fifth, 114); games played (fifth, 160) and at-bats (second, 493).

DeStasio graduated from Binghamton in 2005 with a degree in human development and received her master's in athletic coaching education from West Virginia in 2008.

LARRY BRIODY

Assistant Coach
Ursinus '73 • first season

Larry Briody brings more than 10 years of experience to the Mule coaching staff.

A 1973 graduate of Ursinus College, he currently works as an oncology sales specialist for Millennium Pharmaceuticals.

Briody has coached some of the most competitive traveling teams in the Lehigh Valley and has also served as an assistant on the Division I level at Coppin State University.

KATHERINE GOLD

Assistant Coach
Swarthmore '08 • first season

Katherine Gold is a 2008 graduate of Swarthmore College, where she was a four-year starter for both the Garnet volleyball and softball teams. She served as captain of both teams, co-chaired Swarthmore's Student Athlete Advisory Committee and was a resident assistant for two years.

After graduating with a degree in art history, Gold worked at Apple, Inc., and is currently working to earn her master's degree in sports management at East Stroudsburg University.

KRYSTA PIDSTAWSKI-WOLF

Assistant Coach • Delaware '99 • first season

Krysta Pidstawski-Wolf was a four year standout pitcher at Parkland High School and the University of Delaware. She ranks in the top 10 in many categories for the Blue Hens and finished with a career ERA of 2.19. In 1999, Pidstawski-Wolf was the America East and UD female scholar athlete of the year.

Currently Pidstawski-Wolf is in her ninth year teaching senior economics at William Allen High School. She also was an assistant coach at Emmaus High School for three years.

The Muhlenberg softball program has a strong tradition of athletic and academic excellence.

The team set a College record for all sports with 22 consecutive seasons of double digits in wins (1985-2006). From 1989 to 1992, the squad became the first in school

athletic history to win 20 or more contests in four consecutive seasons, averaging 24.5 wins a year in that span and earning frequent national rankings. In 1989, softball became the first team in any sport to represent 'Berg in the NCAA Division III Tournament. The Mules reached the regional final that year and again in 1990 and 1991.

Muhlenberg was a dynasty in the Southeast Division of the Middle Atlantic Conference, winning six consecutive championships from 1987 to 1993. The Mules went

Former Muhlenberg players and coaches returned in April 2005 for an alumni game and the dedication of the Mules' new field.

The Mules have earned eight bids to the NCAA Tournament since 1989.

to win the MAC South title four times and the overall MAC crown three times. The Mules have maintained their success since joining the Centennial Conference in 1994, winning CC championships in 2000, 2001, 2003 and 2009, earning bids to the NCAA Championships all four years and winning two games in the national tournament twice. Three Mules have been named CC player of the year and three others have earned pitcher-of-the-year honors.

Muhlenberg has been equally impressive in the classroom. The team has been cited by the National Softball Coaches Association for having one of the top 30 team GPAs in Division III and has produced four Academic All-Americans and two NCAA Postgraduate Scholarship recipients.

- 10 2009 and 1991
- 8 1990 and 1989

ALYSSA #19

Remember when we practiced but you couldn't find the plate,
somewhere around age seven or eight?
Only proud parents could then contemplate
that your performance in college would turn out so great!
The hard work is done and now we can say
what a pleasure it has been to have watched you play.
This will be your best season yet we can state.
Let's get the party started 'cause we just can't wait!

Love, Mom, Dad and Jessica

*"Success is the result of a lot of small victories
that most people never know about."*

Good luck Kelly and wishing success to the
Muhlenberg Softball team in the 2011 season!

Love,
The Klines

#33 Jordan #33

We wish you and your
teammates lots of luck in the
upcoming season!

You always make us proud!

We love you,
Mommy, Daddy and Barrie
