

## MEDICAL WAIVER

I certify that my daughter:

has had a physical examination by a licensed physician within the last six months and is in sound physical condition for participation at the Turf Experience Field Hockey Camp. Also, I authorize the staff of the Turf Experience Field Hockey Camp to act according to their best judgment in an emergency that requires medical attention. I have adequate accident insurance coverage and hereby waive and release Kristen Stuckel and the Turf Experience Field Hockey Camp from any and all liability in the event of injury or illness requiring treatment, hospitalization and or surgery.

Please list any medical needs that the staff should be aware of:

**TURF EXPERIENCE!**

The purpose of Turf Experience is to allow field hockey players to take their game to the next level! The program will help players of different abilities to maximize their strengths while gaining more experience in the game of field hockey. The Astro Turf provides an excellent learning atmosphere for athletes at all levels. It will challenge the older more experienced player in areas of stick skills, shooting, and control, while allowing the younger, novice player to find success with passing, pulls, and dribbling.

**THE FACILITY**

Come play in Scotty Wood Stadium located at Muhlenberg College in Allentown, PA. The home field for the Mules Field Hockey team is a 3,000-seat stadium constructed in 1998. The stadium features an Astro Turf 12 playing surface and lighting. Grass fields will also be available for playing sessions.

**CAMP INSTRUCTION**

Collegiate coaches and players will provide individualized instruction to small groups based on their age, experience and ability. Instructional sessions will be well organized and cover many different aspects of the game, including fundamental skills, game strategies, specialties such as corners, and rules. Players will be challenged in a fun and energetic atmosphere.

The daily schedule will consist of fundamental skills to help develop proper technique at all levels, with a focus on small-sided game-like situational play. Competitions, competitive scrimmages, and individualized special help will also be included.

In her seventh summer as director, Kristen Stuckel will continue to challenge the athletes in a positive atmosphere. "The excitement and energy of seeing players learn a new skill or bringing their game to the next level is extremely rewarding. Turf Experience will help them gain important confidence in preparation for the fall!"
