ALL-AMERICAN HIGH SCHOOL CAMP

CAMP DIRECTOR

LESLIE BENINTEND KIERNAN

Benintend is the winningest coach in the history of Muhlenberg College women's soccer with an outstanding record of 150-81-18 in her twelve seasons.

She has led the Mules to their first five straight postseason appearances, including NCAA Tournament berths following Centennial Conference Championships in 2000, 2001 and 2003. Muhlenberg reached the regional finals in both 2001 and 2003, finishing the season ranked 17th and 23rd, respectively, in Division III in those years. Muhlenberg won back-to-back ECAC Mid-Atlantic championships in 1998 and 1999. The program also had an All-American each year, its first two ever.

Benintend was three-time soccer All-American and was named the school's female athlete of the year in 1992 at Cortland State. Benintend has a B.S.E. in Physical Education. Benintend holds her Premier Diploma and is an NSCAA Associate Staff Coach.

Benintend is also the former assistant women's lacrosse coach and teaches the Fitness and Wellness course at Muhlenberg College.

WOMEN'S SOCCER OVERALL RECORDS:

- ECAC CHAMPIONS 1998 and 1999
- CENTENNIAL CONFERENCE CHAMPIONS 2000, 2001, 2002 and 2003 (regular season)
- NCAA "Sweet 16" appearance
- 43 All-conference selections

PHILOSOPHY

The residential camp is offered to the high school-aged female soccer player who is thinking about playing soccer at the next level. Campers will get a first-hand look at how we may run a week of preseason for our Muhlenberg women's soccer team. This camp will give each camper the opportunity to display their skills in front of college coaches as well as getting a first hand experience of what college soccer is all about.

Training sessions will focus on skill development, small sided games, tactical awareness and 11 v 11.

OBJECTIVES

As camp director, my goal is to provide an environment where each player can learn, play and have fun. We welcome individual players to attend, for the focus is on you. Players and coaches from college soccer teams will assist in coaching, demonstrating, and act as role models throughout the week.
