

## PET POLICY

Students are not permitted to have pets, except harmless fish, on the Muhlenberg campus. Students are not permitted to have pets visit College housing for any reason.

If an animal is required due to a documented disability, please contact the Office of Disability Services for information, or consult the Office of Disability Services website.

Students who bring pets (not service animals or approved ESAs) into the residence halls may be subject to disciplinary action as follows. Please note that multiple violations will result in removal from college housing.
