Emergency phones

Muhlenberg College has installed several emergency and campus phones in and around the campus. Emergency Phones will give you direct contact with the Campus Safety Office. The phones are bright yellow with a blue colored light above them and have an “emergency button” or “help” that will dial Campus Safety when it is pushed. There are also a few courtesy phones located in various buildings around campus—these do not connect directly to any office but allow you to call on-campus numbers.

As is common in business and other organizations, it is the College's current practice that all information stored on this System, including the content of the electronic mail system and the content of the voice mail system, is normally copied daily to digital tape to provide a back-up copy in the event original records are damaged. These tapes are stored in a secure area where they are considered confidential and are retained for a period of four weeks. This means that electronic mail messages and voice mail messages deleted by an individual user subsequent to the College's daily backups may be retained for this period of time. After the four-week period the tapes are normally re-used. The College may change these and other operational practices from time to time.

Fire equipment is to be used only as necessary in the case of fire. Its use and misuse must be reported to the Office of Residential Services and/or Campus Safety immediately so that it may be restored to useful condition with no unnecessary delay. FIRE PREVENTION:
We ask that guests remain alert at all times to the hazards and dangers of fire in their area and to exercise all proper precautions to prevent fire, notify proper authorities of any potential fire and safety hazards, and promptly report a fire. Cooking must be confined to designated cooking areas. Use of electrical appliances such as hot plates, heating coils, coffeepots, popcorn poppers, electric frying pans, toaster ovens, irons, and electric heaters are prohibited in guest rooms and common lounges without kitchens. If the College determines a cooking item is being used in areas other then designated cooking areas the item may be confiscated.

When a fire alarm is sounded, please exit the building immediately. Meet with the rest of your group in the nearest parking lot or at a pre-determined meeting location designated for your group. Evacuation procedures are posted on the back of each resident's room door. If these rules are not on the back of the door, please notify the College.
