Distance Medley Relay

* deceased; + honorary member

II. Parents

1. THE PARENTS COUNCIL

Why a Parents Council? Muhlenberg College established the Council in 1992 to bring parents and senior administrators together around their mutual interest in helping Muhlenberg students succeed.

What difference does it make? During each renewable one-year term, each Parents Council family commits to special financial support for **The Muhlenberg Fund** and the important College programs it strengthens. These gifts range from \$1,500 per year and up.

How often does it meet? Each Council family attends two Parents Council meetings held, in the fall and spring, on campus each academic year. Families are encouraged to share their “parent perspective” on all things Muhlenberg during the meetings

How does the Council help other parents? All Parents Council families are asked to assist at various Muhlenberg events each membership year. Examples include: June Advising Days, Family Weekend and regional events. However, we are flexible with schedules and some volunteer participation may be remote.

How does the council strengthen the Muhlenberg community? Families have the unique opportunity to serve as ambassadors of the College through The Muhlenberg Network - an online community where families may serve as mentors or advisors, connecting students with business and community leaders.
