

Follow the instructions below to print to PaperCut and pick up your print job on any of the Ricoh printers on campus. AirPrint can be used from any Apple device, including mobile devices.

Printing using with AirPrint on Mac:

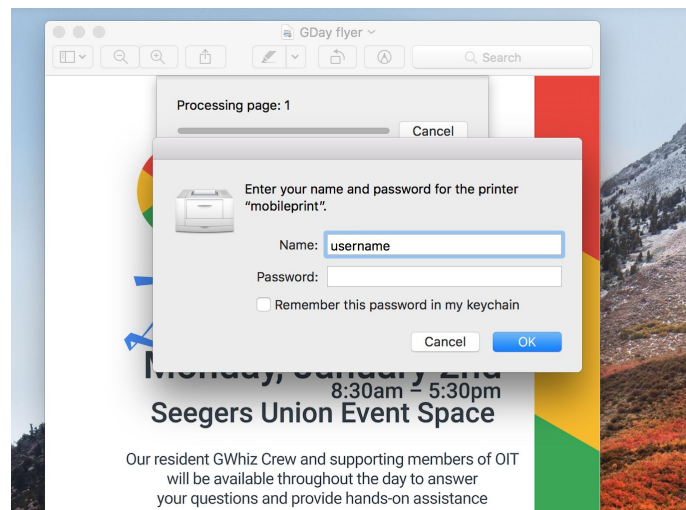

1. Once you are ready to print, go to the print screen (Usually done by pressing the Apple sign + p), then select mobileprint.

2. Make sure that your print popup window looks like this:

3. After pressing the print button, you will be prompted to enter your Muhlenberg network credentials:

4. You are now ready to go to any Ricoh printer on campus and pick up your papers, as if they were printed from a Muhlenberg device.
