

Africana Lecture Series: Seeing Africa

Screening of *HomeGrown: HipLife in Ghana*

A groundbreaking documentary following the rise of Vision in Progress, a hip-hop/hiplife group from the tough streets of Accra's predominantly Muslim Nima ghetto to stages around the world.

Tuesday, November 8

7:00 p.m.

Miller Forum, Moyer Hall

This event is free and open to the public.

As ten years in the journey of Vision in Progress are revealed, the film is able to effectively explore the dynamics of political change, fame and hustling as embodied in international African hip hop.
