On October 16, 1943 over 1000 Jews were abducted in the city of Rome by the Nazis and their Italian Fascist allies. Of those, only 16 survived. The documentary *Oro Machtfrei* (*Gold Will Set You Free*, 2013) tells the story of the Roman Jewish experience during the Nazi occupation. Weaving testimony from Roman Jews with the historical research of renowned scholars, *Oro Machtfrei* brings viewers into a personal and relatable reflection on the Holocaust in Italy through the eyes of this unique and historical community.
