## Benvenuti a Firenze! / Welcome to Florence!

Join Muhlenberg instructor of Italian, Daniela Viale, for a semester abroad in Florence, in the heart of Tuscany.

Live and study in Florence, the cradle of the Renaissance, and one of Europe's most beautiful and culturally-rich cities.

Muhlenberg students study with Prof. Viale and attend classes at the Florence University of the Arts, which offers a wide range of courses, including many that count as **Muhlenberg GAs**.

No knowledge of Italian is necessary to attend. Students receive the same **financial aid package** for which they would be eligible if enrolled as a full time student at the Muhlenberg College campus.

The treasure that is the city of Florence has attracted visitors from every society from medieval to modern times.

Though Florence is an ancient city, the focal point today is its magnificently preserved Renaissance art and architecture.

Florence's museums and churches contain many of the most important and influential works of medieval and Renaissance art.

Today Florence is also a busy center for art and design, and home to leaders in architecture and the culinary arts.

Florence is a walkable, livable city, and is centrally located, making train trips to Rome, Venice and other destinations simple.
