

Muhlenberg College/Boston University School of Public Health

MPH Select Scholars Program Application

In addition to filling out the application below please attach the following.

- 1) Unofficial transcripts
- 2) CV (college resume)
- 3) One letter of recommendation from a professor who knows you well *outside of the core public health faculty*.

Name: _____ Graduation date: (year) _____

GPA: _____ (minimum overall 3.2 required)

- 1) Please explain why you want to go into public health (500 words or less)?
- 2) Based upon your courses here at Muhlenberg (or an internship) what field of public health interests you? Provide specific examples from your classes/internship (500 words or less).
- 3) Describe your strengths (at least 3) as a person and give examples of how they have benefited you (250 words or less).
- 4) Describe your weaknesses (at least 1) and how you attempt to overcome them (250 words or less).
- 5) Why is graduate school at Boston University a good fit for you?
- 6) Do you have any social or academic violations? If so explain?

Please submit your completed application to Professors Cronin or Burger no later than November 15, 2016. Students who are selected to interview at Boston University will be notified by November 30, 2016.
