Muhlenberg prepared me well by providing many work opportunities. In one day alone I could go from a shift in a less demanding box office, than house manage a show before returning home as a resident liaison for domestic violence. Not only did I learn to be flexible and adapt, which has been valuable working in international marketing for the world’s largest cruise company, but I formed connections with multiple mentors with whom I continue as a part of my life.

-Zoe Briggs, ‘16, Theatre Major
University of Miami
